German is Wunderbar!

Top 10 Reasons to Take German at Timberline High School

1. It's fun!

Enjoy learning German through games, videos, music, food, folk dance, fairy tales and giving a gnome a home!

2. **It's easy!** German and English come from the same "family" of languages. There are over 4000 words that are shared by both languages. Haus=House, Mutter=Mother, Freund=Friend, Milch=Milk are just a few!

3. **Travel to Germany!** Take a trip to Germany in Summer 2018! Visit places like the famous Neuschwanstein Castle (the fairytale castle that inspired Walt Disney), medieval towns, and experience a Swiss folklore dinner show! You will be swept away on a 9 day adventure with some of your closest German classmates!

4. **Eat like a German!** Expand the world of your taste buds by trying delicious, authentic German food on our field trip to Schnitzel Garten!

5. **Do Deutsch!** Attend the annual "Do Deutsch" field trip at Boise State University. Have fun meeting and mingling with hundreds of other high school students learning German from all over the Treasure Valley.

6. German prepares you for college!

Students who take German score higher on college entrance exams (ACT or SAT) than other students. Plus, you need at least 2 years of a foreign language to study at most universities.

7. **Earn 4 college credits while still in high school!** Receive 4 credits of college level German for free (paid for by the Idaho State Dept of Education) to transfer to the university of your choice with enrollment in German 3.

8. German can help you get a job!

Many American companies are owned by German companies.

German companies now represent the largest source

of foreign employment in the United States. The firms name German as the language they would most like their employees to know. Knowing German can be a career maker or a career enhancer.

9. **German is important for science!** Many of the world's scientists have come from or studied in German speaking countries. Germany leads the world in engineering, pharmaceutical, and environmental sciences. Companies in these scientific fields look for employees who know German.

10. **Frau Campbell.** Enough said.
